

Sir PIZZA

...has been family owned and operated since our beginning in March of 1975.

We still make our dough fresh daily and continue to use only the finest and freshest ingredients. Today don't be surprised if Ron or Rich are still topping your pizza. Hope your "Sir Pizza" experience is "Good to the Very Edge!"

Our Crust!

Sir Pizza's best kept secret and the success of every pizza we make...fresh and delicious.

Our Cheese!

One of the most important ingredients is Sir Pizza's fresh, smoked provolone cheese for a richer taste and creamier consistency you won't find in mozzarella.

Our Toppings!

Sir Pizza has a list of toppings to please the taste of everyone, prepared in a style all our own...ingredients are diced and evenly distributed for a more consistent flavor.

Our Square Pieces!

Why?...Simple! It provides for easier eating and a better division of the pizza.

Our Royal Feast!

Sir Pizza's most popular pizza consists of a special blend of our finest ingredients... spicy pepperoni, lean sausage, mushrooms, green and red peppers and onions.
